

2019 GROUP & DIETARY ACCOMODATIONS

A NOTE ON GROUPS: As an event we do not accept buses larger than 24-passengers, they will be turned away. If you are part of a large group, please review which wineries are able to best accommodate you before you head out for Passport weekend.

A NOTE ON DIETARY REQUESTS: Many of our wineries use local caterers & chefs who utilize the best of what the culinary season has to offer. Wineries do their best to provide a well-rounded menu for all dietary needs, but, due to the seasonal nature of many chefs and the size of this event, may not be able to accommodate all dietary styles. See the list below for wineries who are planning ahead to offer bites for those who live Vegetarian or Gluten Free lifestyles.
